Wednesday

Please check the website for workshop lengths, registration fees, and presenting organizations. While most workshops are free, 45 minutes in length, and can accommodate drop-ins, other workshops are space-limited, span multiple hours, or require a registration fee. The times below indicate the start time for each workshop. Scan the QR code on the opposite page for more information.

Family Spaces

Bringing children with you to the conference? On Thursday and Friday, you are welcome to use downstairs breakout rooms when they are not used for roundtables. Please feel free to use these spaces when your little ones need to nap, nurse, or take a break. Roundtables take place on Thursday from 4-5:30 p.m. and Friday from 11 a.m. - 12 p.m., so please keep the rooms free at these times. These rooms are not staffed - do not leave your children under the age of 12 in these rooms unsupervised.

Scan the QR code to read full 2026 plenary descriptions!

Miss a plenary or keynote? Don't fret! Video recordings of REGENERATE 2026 sessions will be posted on Quivira's and the REGENERATE Conference YouTube channels in early 2027.
